Reverence For Life Prayer

O Mary, to you do we entrust the cause of life.
Look down O Mother upon the vast number of babies
not born, on the poor whose lives are made difficult, on
those who are victims of brutal violence, on the elderly
and sick killed by indifference
or misguided mercy.

We ask for the grace to accept the Gospel of Life as a
gift ever new, and the courage to bear
witness to it. To the praise and
glory of God, the Creator and
lover of life.
Amen!

A Word About Trauma...

Trauma and associated words are being used more now than ever. Do we know the origins of these words? Are their meanings different now than when they were first used? Each week we will explore a trauma-associated word's origins, meanings and evolution.

Complex Trauma

The term complex trauma describes both children's exposure to multiple types of pervasive and chronic traumatic events that involve violence, betrayal, exploitation, and loss, such as maltreatment and living in an unsafe family, community, or school settings, as well as the wide-ranging, long-term impact of this exposure. Complex trauma can disrupt the child's secure bonding with caregiver(s), as well as the development and formation of crucial competencies, positive relationships, and a clear sense of self.

TF349: Dan Shervan and Brett Salkeld on Original Sin - Part 1

This week Dr. Bret Salkeld sits down with author and poet Dan Shervan in this part one of two, to discuss the differences between Roman and Orthodox Catholic approaches to the problem of sin.

Show Snippet: "You can actually be like, "You know, Western Christians can learn from Eastern Christians that, this way of talking is a good counterbalance to this other way of talking that has these potential misunderstandings associated and vice versa." Right? And so people who are really good at that kind of dialogue actually generally end up with a really deep and rich kind of theology."

LESSON TWENTY-THREE

Is there a contradiction between Creation & Evolution?

Videos: archregina.sk.ca/group/catechetical-support-parishes/

Catechism Text: CCC # 159 & 390.

Sacred Scripture: To assist in reading Genesis, refer to CCC # 390.

Pope Pius XII: Of the Human Race, *Humani Generis* (1950): the Church does not ban the theory of evolution when it's understood that all things are created by God and the human soul is directly created by God.

St. Augustine: Wherever truth is found, it belongs to God.

FAQ: Is the Catechism an example of the collegiality of the bishops?

Yes. The collegiality of the Bishops that's presided over by the Bishop of Rome was a truth professed by Vatican II. The Synod of Bishops has been a type of episcopal collegiality since the Council. In an address, on April 30, 1983, Pope John Paul II refers to the Synod as an expression and effective tool of episcopal collegiality ...” The Catechism is a direct result of collegiality through the Synod of Bishops.
